

KID'S CORNER

VIRTUE OF THE MONTH - MAGNANIMITY:

What is magnanimity? It means having a 'great soul'. It is pursuing greatness and striving to live honorably even when it may be difficult.

What does it look like? Allowing God to work through you to do extraordinary things. To do more or go above and beyond your obligations.

PRAYER FOR THE DEAD:

Dear Lord, please have mercy on all the souls of the faithful. For those not yet ready, purify their souls to join you in heaven. Help me to live my life so that I may be worthy of joining you in Heaven at my death. May all the souls of the faithfully departed, rest in peace!

CRAFT:

Take some time in quiet prayer today while coloring this color page. Pray for the Lord's grace to keep conversation open between you in prayer. Pray that you are always open to the prompting of the Holy Spirit to live a life for God.
