VIRTUE OF THE MONTH - GRATITUDE:

Gratitude is having a thankful or appreciative attitude.

Gratitude looks like thanking someone for their gift, expressing gratitude for a blessing (whether that be to mom for making dinner or to your priest after Mass), or saying a prayer of thanks.

FUNNY OF THE MONTH:

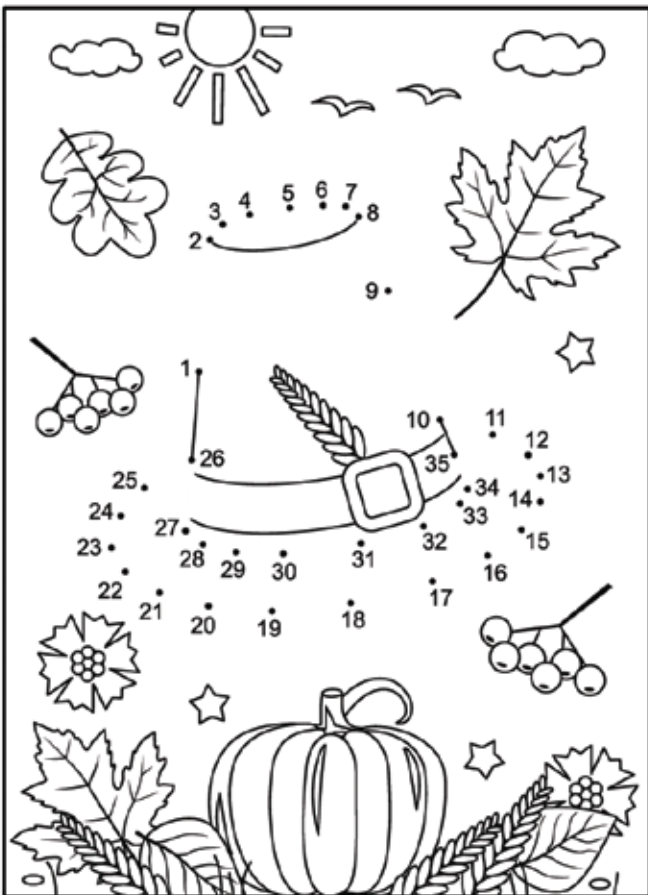

What do you call a Bible verse that was spray painted onto a building?

Answer on last page!

DID YOU KNOW?:

Saints don't have a physical halo, but we often see them portrayed with one in liturgical art. This indicates to the viewer that the person is holy—usually shown as a gold arc or circle.
