MATCHING - MATCH THE COLORS TO THE LITURGICAL YEAR:

There are specific colors associated with each season in the liturgical year (Church year). You will see that the color of the priest's vestment changes based on the season. Sometimes the altar cloth also matches the color of the liturgical season. See if you can match the color with the season below. (Hint: some colors match more than one season!)

FUNNY OF THE MONTH:

What does the gingerbread angel put on her bed before she goes to sleep?

Answer on last page!

BRAIN TEASER:

Three friends, Julia, Sophie, and Bella exchanged Christmas cards. If each friend gives out a card to each of their friends, how many cards are given out altogether? How many Christmas cards would there be if 8 friends exchanged?
