CRAFT: FINGERPRINT LAMB

Jesus is the Lamb of God who, on Good Friday, sacrificed Himself for us—each and every one of us! To honor the Lamb of God, use your unique finger prints to create a cute lamb!

- Supplies:
- Washable white paint
 - Cardstock in any color of your choosing (for background)
 - Black cardstock or construction paper
 - Googly eyes
 - Scissors
 - Glue or glue stick

Instructions:

1. Cut a lamb/sheep shape head out of the black card stock. Also out of the black card stock, cut out four skinny strips for the legs.
2. Dip fingertip into white paint.
3. Press finger onto the background card stock. Make multiple finger prints in a circle or oval shape.
4. Let the paint dry.
5. Glue on the head and legs to the fingerprint body. You can choose to have your sheep/lamb walking towards you or across your paper.

JOKE OF THE MONTH:

What kind of stories do bunnies liek?

Stories with hoppy endings.
